

INAUGURATION
Nicholas C. Metropolis
High Performance Computational Facility
CCQCN, Physics Department, UoC

Date: Friday, March 27, 2015

Venue: 3rd Floor Seminar Room, Physics Department, University of Crete

Time	
10.00 – 10.45	<p>Welcome Speeches by Authorities</p> <p>Prof. K. Fotakis (<i>tbc</i>) <i>Deputy Minister of Research & Innovation,</i> <i>Hellenic Ministry of Culture, Education & Religious Affairs</i></p> <p>Mr. S. Arnaoutakis, <i>Regional Governor of Crete (tbc)</i></p> <p>Prof. E. Stephanou, <i>Rector, UoC</i></p> <p>Prof. M. Taroudakis, <i>Dean, School of Sciences and Engineering, UoC</i></p>
10.45 – 11.15	<p>Honouring the legacy of Nicholas C. Metropolis in establishing the HPC Facility of CCQCN</p> <p>Prof. G. Tsironis, <i>CCQCN Coordinator</i></p>
11.15 - 12.15	<p>Computational Network Dynamics in Physics & Society</p> <p>Prof. D. Brockmann, <i>Humboldt University Berlin</i></p>
12.15 - 12.30	<p>Coffee Break</p>
12.30 - 13.30	<p>Lattice QCD, its Computational Cost and its Impact on Particle Physics</p> <p>Prof. H. Meyer, <i>Gutenberg-Universität Mainz</i></p>
13.30 - 14.30	<p>Networking Session - Lunch</p>
