

Mini Workshop on Quantum Metamaterials & Quantum Computation

Tuesday 10th of June 2014

Time	Topic	Speaker
11.00-12.00	Representations for the symmetric spin $\frac{1}{2}$ subspace and entanglement classification	<u>Prof. A. Mandilara</u> <i>Department of Physics, School of Science and Technology Nazarbayev University, Kazakhstan</i>
12.00-14.00	Lunch Break	
14.00-18.00	Working Groups	
21.00	Workshop dinner	

Wednesday 11th of June 2014

Time	Topic	Speaker
10.00-18.00	Working Groups	

Thursday 12th of June 2014

Time	Topic	Speaker
12.00-13.00	Rogue Waves in Electromagnetic Beam-Plasma Interactions: modeling and phenomenology	<u>Dr I. Kourakis</u> <i>Centre for Plasma Physics, Queen's University Belfast, Northern Ireland</i>
13.00-13.30	CCQCN quarter-term progress report	<u>Dr G. Neofotistos</u> <i>CCQCN Senior Researcher, UOC</i>
13.30-15.00	Group Function on Metropolis Seminar Room	
15.00-18.00	Working Groups
